ABOUT Royal Family KIDS CAMP

Proceeds from this event will help send children who have experienced abuse, neglect or abandonment to a free week of overnight camp. Most of these children have been placed in foster care.

In NH there are over 900 children in the foster care system. "For the Children" (formerly Royal Family KIDS) is a national organization leading the way to meet the needs of these special children. We provide a caring family environment of trained volunteers who create a week of positive memories that give hope to children who have experienced hurt that no child should endure. Each camper will share their counselor with just one other camper. They will swim, play games, sing, do crafts, woodworking and experience an Everybody's Birthday Party!

When you give to For The Children Camp you are giving a gift of renewed life to a child who otherwise has very little hope.

Please consider being a sponsor. You may also consider donating prize packs, gift cards and gift bags to be given out as raffle prizes.
